

**Never call a locksmith again...**

***...just to change keys!***

# Get Smart! Get *smartLoc*<sup>TM</sup>

- Install for less than the cost of a locksmith!
- Change keys yourself any time!
- Employees can not get keys made!

**smartLoc**  
Ultimate Key Control

## CHANGING KEYS

**STEP 1:** Insert key to be changed and the change tool. Remove both.

**STEP 2:** Insert new key and push the button. **THATS IT!** The new key is activated and the old key is canceled!

Reuse old keys at a later date.

**Will save you time, money and improve security!**
